

Tarrison Products Ltd.

Utility Cart Assembly Instructions

STEP 1.

NOTE: Unit is erected from top shelf down. U-handle posts are grooved 1" increments. Select height of top shelf.

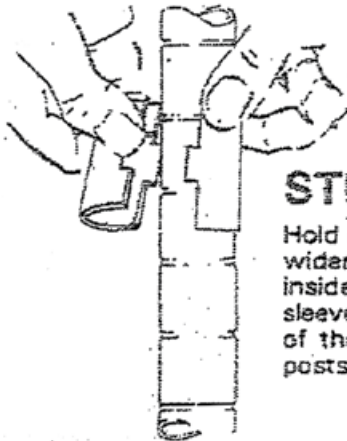

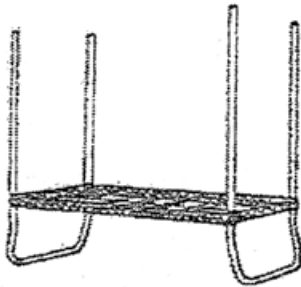

STEP 2.

Place shelf on its side on floor. From top side of shelf, insert U-shaped handles into the four corners.

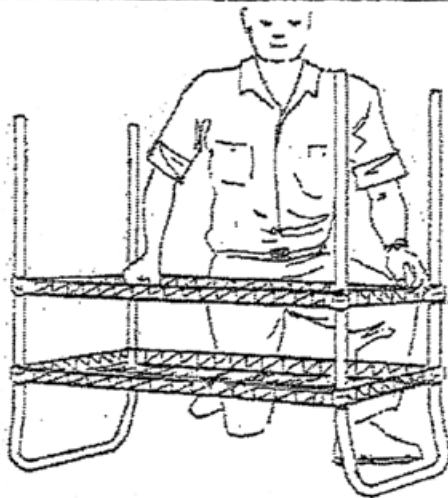

STEP 3.

Turn unit upside down.

STEP 4.

Hold one half of split sleeve against post with wider end towards bottom of post. Fit "ridge" inside split sleeve into groove and snap split sleeve on. Then snap on the other matching half of the sleeves. Repeat for each of the other posts.

STEP 5.

Slide next shelf down over posts.

STEP 6.

Select height of shelf and repeat step 4.

STEP 7.

For three-shelf units repeat steps 4, 5 and 6 for remaining shelf.
